INVENTOR MIDDLE NAME CORRECTION

Commissioner of Patents and Trademarks

WASHINGTON, D.C. 20231

Sir:

This request is being filed concurrent with the payment of the issue fee requesting correction of inventor's middle name, which correction appears to be necessary due to Patent Office transcription mistake.

MATCH & RETURN

REMARKS

The correct inventor's name is JOHN YOUNGFU CHEN; the middle name is YOUNGFU instead of YOUNGTU. Please correct the Office records to reflect the correct middle name.

The original papers filed shows *f* to indicate "F" not a "T" as the inventor has the habit of starting the stroke for the letter "F" first from top vertical down continuing 40° to the left to the horizontal and cross to the right center of the vertical.

Example of better forms of the letter "F" stroke may take the forms: *f, f, f, f, etc.*

Whereas the letter "T" is written normally by first making the horizontal stroke first followed by a vertical down stroke. *t, t, t, t, T, T, etc.*

Should Examiner have any questions regarding this paper, Applicant can be reached at (650) 827-1388.

Respectfully submitted,

John Y. Chen
